No. 163

TELEGRAPHIC

Blair Has Resigned

Ottawa, Ontario, July 15th. — The Honorable A. G. Blair has resigned his portfolio as Minister of Railways, the announcement being made by the premier yesterday. Full explanations of the causes leading to the resignation will be announced tomorrow. As yet there has been no mention of a successor.

Winnipeg, July 15th.

SIFTON MAY SUCCEED BLAIR.

Honorable A. G. Blair's resignation has been officially confirmed. Honorable Clifford Sifton may succeed to the portfolio.

ANOTHER SENATOR DEAD.

Senator Robert B. Dickey, of Nova Scotia, is dead.

THE GRAIN MARKET.

Fort William wheat, No. 1 hard, spot, 83 cents a bushel.

Winnipeg oats, No. 2 white, 31 cents a bushel.

WILL GIVE STATE FUNERAL.
The Canadian government will give a state funeral to the late Judge Arbour.

WELCOMED TO WINNIPEG.

The Brotherhood of Locomotive Engineers were welcomed to Winnipeg.

LUMBER COMPANY ORGANIZED.
A big lumber company will be organized by St. Paul and other United States capitalists at Fernie, British Columbia.

IMPORTANT DECISION.

The privy council, London, has decided that the Province of Ontario Sunday legislation is ultra vires.

WEATHER PROPS

Shows are reported from Western Manitoba and some heavy thunderstorms in the Qu'Appelle and Saskatchewan valleys. Winnipeg has recorded the highest temperature during last twenty-four hours, elsewhere temperatures have been moderate. Fine weather with moderate temperature indicated west and north-west from Swift Current. Numerous showers and thunder storms in the Qu'Appelle Valley and in Manitoba.

EDMONTON POST OFFICE

The leaps and bounds of progress which the Edmonton district is enjoying are felt to a very great extent in the Edmonton post office. Perhaps no other post office in Canada forwards mails over such a vast tract of country. Letters arrive in Edmonton for their destination hundreds of miles north, east and west. Numerous post offices are served from the Edmonton office from Lac La Biche, on the east, to Lake St. Anne, on the west, and Lesser Slave Lake on the north. The local business has made immense strides, which has recently led to the enlargement of the office, but in a very short time the present building will be too small to accommodate the rapidly increasing business. During the last six months the quantity of mail matter arriving at the Edmonton post office has doubled. In order to get definite figures the postmaster was questioned concerning the amount of business transacted. His books for the day previous showed that forty-seven money orders, aggregating \$1,137.33, were issued. Seventy-two dollars and twenty-five cents worth of stamps were sold and also numerous postal notes. This gives a very definite idea of the business transacted at the Edmonton post office.

CANDIDATES AT EDMONTON

The following is the list of the candidates who wrote on the recent departmental examinations at Edmonton:

Grade VIII.

Mabel Moore, Rose Dunlop, Maude McCauley, Clara Oliver.

Donald Ross, Frank Buchanan.

Grade VII.

Fred Peters, C. Storey, E. Mitchell, Kate McLeod, Mary Reid, F. Inglis, F. Suter, L. Thorburn, Anna Oliver.

Grade VI.

W. Graydon, R. McDougall, Angus Sutherland, Ross Goodridge, Andrew Mencely, Albert Huff, Chas. Peters, Gertrude Cryderman, Kate George, Margaret Fraser, Ray Powell, Mabel Tracey, Addie Belcher, and Signe Spokell.

PERSONAL

J. C. Croome, of the Toronto Type Foundry, Winnipeg, is in the city today.

Miss M. Hoege, of Toronto, is the guest of Mr. and Mrs. Fred Ross, Edmonton.

Mr. and Mrs. Jackson, formerly of the Alberta hotel, Edmonton, arrived in Edmonton the first of the week from a trip to California.

Winnipeg Tribune.—Fred Goodville, barrister, of Georgetown, Ont., is in the city on his way to Edmonton, where he intends to open an office.

L. L. Crockett left for Forsyth, Montana, yesterday, where he went to wind up his business interests. On returning he will locate permanently in Edmonton.

Dr. Whitehead spent Sunday with his brother-in-law, Prof. Chant and family at Go Home, Georgian Bay, the University summer resort. He is expected home Saturday evening.

Dr. and Mrs. McEachren, of Glenwood, Ont., are visiting Mr. and Mrs. W. H. Gardner, also Miss Brooks, of Palmerston, Ont., Mrs. McEachren and Miss Brooks will remain about two months. Dr. McEachren will return in a few days.

Johnston Bros., fur traders from Wabasca, a couple of hundred miles down the Athabasca, arrived in Edmonton Saturday with upwards of nine thousand dollars worth of furs. The consignment has not yet been sold. The past season has been a very successful one for the Indians and they are in a very prosperous condition.

BY LAW 231

On Monday next the ratepayers of Edmonton will be called upon to vote on by-law 231, to raise the sum of \$8,000 for the purchase of lands for obtaining gravel for municipal purposes and for a nuisance ground for the purpose of disposing of the sewage and other refuse of the municipality.

The old nuisance ground had to be abandoned, as, on account of the expansion of the city, numerous dwellings were erected in the vicinity and the odor from the decaying refuse was a source of great danger to the neighboring householders. Other grounds had to be purchased and practically the only available land was the twenty-five acres of government jail site property. Negotiations were entered into for the purchase of these lands from the government. As it was absolutely necessary to complete the negotiations promptly, the council closed the bargain with the department, paying \$2,500 for the property. It now remains for the ratepayers to turn out and ratify the action of the council.

Another matter with which the council had necessarily to take definite action was the purchase of land to be used as a town gravel pit. It is a matter of the most vital importance that the municipality should have access to the very best gravel obtainable for the finishing up of our principal streets. The City Engineer made extensive examinations and came to the conclusion that this property was the best in the district for a gravel pit, and even after the gravel will all be used, the land will be a valuable asset to the town. This gravel is also greatly superior to that taken out of the riverbed. The whole of block 6, H. B. R., 29 lots, between Calgary and McLeod avenues, lying to the east of the old fort and adjoining the present gravel pit, which is on street property and is now worked out to the limit of the street and consequently has to be abandoned, was purchased. The price will not exceed \$5,000. By-law 230 to authorize the purchase of this land for the corporation.

The voting will take place on these by-laws next Monday, July 20th, and every ratepayer who has the interests of his home at heart will turn out and vote for the by-law. There seems to be no difference of opinion as to whether the by-law is praise-worthy or not; there is a danger that the very fact that it is good will make the ratepayers careless, believing others will turn out and pass the necessary two-thirds vote to pass the by-law.

PUBLIC HOSPITAL RECEIPTS

The matron of the public hospital desires to thank the following for their kind donations:

Mr. Donald Ross, rhubarb, spinach and other vegetables.

Mrs. Splan, rhubarb and buttermilk.

Mr. Hercher, strawberries.

Mr. Suter, fruit for nurses.

Mr. H. W. B. Douglas, magazine.

Messrs. Hallier and Aldridge, one case apricots.

Mrs. Brehmer, Spruce Grove, fresh eggs, flowers and rhubarb.

Mr. Whitehead, one case strawberries.

The matron also wishes to announce the result of the exhibition booth as follows:

Total receipts \$800.02.

Total expenses, including cost of permanent kitchen, \$245.17.

Net proceeds, \$360.85.

Any one missing dishes may enquire of Mrs. Fred Ross.

LOCAL

Train left Red Deer on time.

A large number of farmers have taken out bill insurance. Others should do so.

A large number from Edmonton and Strathcona attended the county Orange Lodge celebration in Calgary on Monday.

Calgary Herald, July 12.—J. Capp, of the firm of Capp & May, contractors for the Edmonton jail, is in the city purchasing stone.

The Old creamery has made 16,514 pounds of butter to the end of June just past as against 7,192 for the same period last year.

Seventy thousand delegates are in attendance at the international Christian Endeavor convention, now in session at Denver, Colorado.

A new pleasure launch has been put on the river at Edmonton by T. A. Stephen. Its motive power is gasoline. It took its trial trip Saturday and proved in every way competent for its designed purpose.

Calgary Herald.—The carpenters who have been locked out are making another effort to have the contractors take them back. They want the union recognized and this does not suit the contractors.

Crockett and Blum's gasoline launch is becoming very popular for excursion trips up the Saskatchewan. Sunday a party of twenty went up the river to the mouth of the Whitehead Creek. They report a very enjoyable time.

The principal officers of the recently formed Territorial Licensed Victuallers' Association of the Northwest Territories are president, J. M. Macor, Edmonton; first vice-president, H. S. McLeod, Calgary; second vice-president, Mt. Nash, Regina; secretary-treasurer, J. R. Miquelon, Calgary.

Contractor R. R. Whiteman is making excellent progress with the laying of waterworks connections. A gang of fifty-five men are now employed and more are being taken on every day. Over eighty-five connections have already been laid, the greater majority of these being along Jasper Avenue.

A picnic and entertainment under the auspices of the Presbyterian church, Salisbury, will be held near the church on Thursday, 23rd inst. Picnic commences at 1 p.m. Entertainment in the church at 7 p.m. Supper, ice cream and refreshments will be served. The proceeds will go to defray the debt on the church.

Albertan.—In connection with the long distance telephone service, which is being installed in Alberta, a new and very interesting piece of mechanism called a Calculograph or automatic clock will be used for timing conversations, and is so accurate in its work as to record the length of conversation in fractions of a second, thus enabling users of the long distance lines to tell exactly how long they have been talking.

Ponoka Herald.—Crop reports from all directions come in as the most promising in several years. Grain is considerably in advance of what it was last year and speaks for an early harvest and a bountiful crop. A man who was an eye-witness of the crops in Northern Minnesota and Northern Wisconsin and portions of South Dakota last week, tells us that people of Alberta should congratulate themselves on the remarkable prospects with which they are favored. In these places grain has been badly damaged by drought and the harvest will be very short.

NEW ADVERTISEMENTS

HOUSE TO RENT.

House to Rent on Sixth street, west end immediate possession.

Room above store on Main street to rent.

KILLEN & GILBERT,

WEDNESDAY, JULY 15TH, 1903.

FROM OTTAWA

July 8th, 1903.

Bulletin Correspondence.
The new railway commission bill occupied the attention of the House during nearly the whole of yesterday. The general provisions of the bill had been agreed to throughout, but certain sections had been held over for further discussion and amendment. These were the subject of yesterday's proceedings. The dispute as to what rights should be accorded telephone companies in railway stations was settled by the introduction by the minister of the following new section:

"Wherever any municipality or corporation has authority to construct, operate and maintain a telephonic system in any district, and is desirous of obtaining telephonic connection or communication with, or within any station or premises of the company in such district, and cannot agree with the company with respect thereto, the municipality or corporation may apply to the board for leave therefor, and the board may order the company to provide for such connection or communication upon such terms as to compensate them as the board may deem just and expedient and may order and direct when, now, where and by whom and upon what terms and conditions such telephonic connection or communication shall be constructed, operated and maintained."

The vexed question of cattle guards which occupied the attention of the railway committee during a great deal of its time last session and this and the general question of responsibility for cattle killed on the railway was dealt with by a subsection enabling the owner of cattle killed or injured on a railway to recover against the company in any competent court if the judge is of opinion that such cattle got at large without any negligent or willful act or omission of the owner and got upon the railway by reason of fences, gates and cattle guards not being erected and maintained by the company as required by the act.

Mr. Scott's proposal regarding fire guards in the Northwest Territories, that first empowered and then compelled the railway company to enter upon unoccupied lands for the ploughing of fire roads on the prairie, was met by a provision authorizing the board of commissioners to make all necessary regulations to prevent the spread of fire from railway trains.

The question of drainage across railways has been a matter for discussion in the House and railway committee for several sessions. This is a matter which is specially important in Southwestern Ontario. Hitherto the railway dump might impede drainage of farms alongside it and the farmer had no recourse except through the expensive and unsatisfactory means of an appeal to the railway committee of the privy council. Authority is now vested in the board of commissioners to authorize a drain across a railway on application of a land owner or municipality upon the filing of plans.

The board will also deal with applications of land owners for suitable farm crossings.

There was a long debate on the provision which required railway companies hereafter incorporated to obtain permission, both from the railway commissioner and from the municipal council before using any street or road as the right of way of a railway or tramway. Several members held that this should apply to companies already incorporated, but on the other hand it was held that such action would deprive the companies of their present vested rights and was therefore not agreed to.

Calgary Has Another Strike

Herald:

The contractors, Dobson, Jackson and Fry, who started work Wednesday on the new sewers at Van Horne and 10th Street East, now have a strike on their hands. The laborers' grievance is that men working at practically the same work for the city were paid \$1.75 per day for nine hours while they were paid the same money for ten hours.

It seems that there are other questions that cause strikes besides the "union" one. The gang is composed entirely of Canadians who cannot speak a word of English and, therefore, are very hard to reason with.

Mail Routes and Service.

Mail services to and from the Edmonton post office, both by rail from the south and by stage to the outlying country points are as follows:

With Strathcona, mail is exchanged twice daily.

Train arrives in Edmonton every night at 6 o'clock, and leaves every morning at 7:45 o'clock, except Sunday at 8 a.m.

The mail from Fort Saskatchewan, Lamoureux, Home Hills arrives Monday and Friday afternoons at 5 o'clock and departs Tuesday and Saturday at 8 a.m.

Mail from Namao, Duagh, Ben Accord and New Lannon arrives at 12 o'clock Tuesday and departs at 1:30 p.m. the same day.

Mail from Story Plain, Spruce Grove arrives Tuesdays and Fridays at 5 p.m., and departs Wednesdays and Saturdays at 8 a.m.

Mail from St. Albert arrives at 7 and departs at 7:30 a.m. Tuesdays and Saturdays.

From St. Albert the mail is made up for the following outlying points, Egg Lake, Legal, Morinville, Ray, Riviere Qui Barre and Villeneuve.

From Fort Saskatchewan mail is made up for the following offices every week: Beaver Hills, Bruderheim, Star, Wostok, Whifford, Pakan, Ross Creek, Tofield, Northern, Logan, Beaver lake.

Mail for Saddle lake, and Lac la Biche goes semi-monthly and is made up at Whitford.

Agriculture is served from Fort Saskatchewan Tuesdays and Saturdays.

Clover Bar mail arrives in Strathcona Mondays and Fridays and departs Tuesdays and Saturdays.

Mail from Athabasca Landing arrives Saturday at 6 p.m. and leaves Tuesday at 8 a.m.

Office hours here from 8 a.m. to 7 p.m. for delivery of letters. After mail distributed letters are delivered from 8 to 8:30. For box holders the office is open until 10 o'clock.

For the registration of letters and parcels of money and postal note orders the office closes at 6 o'clock.

NESTLE'S FOOD.

The selection of a proper food for the baby is of vital importance. It must be nourishing, easily assimilated, readily digested, and nutritive.

Nestle's Food has all these requisites. It is made from cow's milk—the most nourishing of all—plus other resources and the addition of water to be ready for use.

Sample (sufficient for eight meals) free.

THE HUDSON BAY STORES
EDMONTON.

SASKATOON

Phoenix. There were 1,505 homestead entries at the Dominion land office here for the year ending July 6th, 1903.

The heavy rains of Tuesday, as one farmer puts it, "added five bushels to the acre." The prospects for a bountiful crop in the district were never better. Some crops sown on new land have not done so well as they might, on account of the dry spell early in the season, but on old land the crops are looking fine and a bountiful yield is assured.

The following mayor and council were elected by acclamation this morning: J. R. Wilson, mayor; councillors: Thos. Copland, J. A. Smith, W. R. C. Willis, Robt. McIntosh, R. W. Dunnington and A. Bowerman.

The quarter section west of the track recently purchased for \$107 per acre, has been surveyed into town lots, the surveyors completing their work on Thursday evening. The lots will be put on the market this fall.

BATTLEFORD

Mr. B. Prince has 340,000 feet of lumber coming down from Edmonton and will arrive at Battleford shortly.

The district of "Britannia" covers about twenty townships, in which some five to six hundred families have already taken homesteads, and in a conversation with Rev. Mr. Lloyd yesterday he reports a wonderful change in the colony, houses dotting the prairie here and there, some with gardens attached while plenty of broken land may be seen all over the colony. Every mail brings scores of letters from other British colonists intending to settle in the colony.

With the success that is attending the efforts of the promoters of the hospital scheme, it would seem that it is the unanimous desire of the residents of Battleford and district that such an institution should be built here. Although the list of subscribers has not yet been shown to "every citizen," sufficient encouragement has been tendered in the way of financial support to make the proposition one of importance and necessity. With such a hearty response on behalf of those who have had the opportunity of donating, it will be seen that the first stones have been rolled away and the remainder of the good work consists in the co-operation of the contributors with the one aim of deciding the best plans to further the object in view.

FRANK

From the McLeod Gazette.

During the past two weeks there has been scarcely any fall of rock from the South Peak. But for the blasting on railway work quiet would now reign in Frank for the first time in two months.

The railway company is beginning to make large use of the great slide here as a stone quarry. Nowhere, possibly, can such excellent rock be obtained so easily. A train and a gang are at present located here loading up rock for use around St. Mary's bridge, between Macleod and Lethbridge.

The Crow's Nest Pass is evidently just now attracting attention by its great calamities. During the past week a great many men of capital have been prospecting in this vicinity. S. H. C. Miner, president of the Granby Mining Company of the Boundary country, B. C., and of the Granby Rubber Company with Mr. Flumerfelt and Manager Graves, of Grand Forks, paid a visit to a property held by them above Blainmore.

Mr. McCarthy, who was managing the Frank mine at the time of the slide and introducing extensive improvements, has returned and is examining saleable coal properties.

Manager Parker, of the North Star mine, is in looking for coal property with a view of providing coke for the Northport smelter.

HOTEL ARRIVALS.

Monday.

Quebec.—Geo. Ratz, B. Dunke, Elmer C. W. Fuller, White Whale Lake, C. Dubuc, Fort Saskatchewan, L. N. Allen, Smith Falls, Ont.; Fred Schurman, Calicoan, N. C. Clark; Sommerside, E. ORANGE CELEBRATION

The Orangemen loyally celebrated the Battle of the Boyne at Fort Saskatchewan on Monday. The Edmonton Orangemen in eight or ten rigs were met at the ferry at Fort Saskatchewan, and with Mr. Basil d'Easum as marshall were escorted up through the town to the agricultural grounds where they dispersed for dinner. A large number of Orangemen joined in the walk, a very representative number being present from Edmonton. Dinner was served by the ladies of St. George's Guild in a most pleasing and creditable manner. They also conducted a booth which was very well patronized.

In the afternoon a large crowd assembled around the platform in a grove on the grounds. Interesting addresses were delivered by the Reverends G. C. d'Easum and Aldridge; Mr. Jim Moran and J. F. Forbes. The sports program was then proceeded with, which resulted as follows:

Hundred yard dash, \$5, \$3, \$1; first, C. Flinoff; second, A. Turner; third, J. Bordeon.

Girls under fourteen, \$3, \$2, \$1; first, C. McNaughton; second, E. Pott; third, J. Kimball.

Boys under fourteen, \$3, \$2, \$1; first, F. Danie; second, B. Cooperham; third, J. Atkinson.

Sack race, \$2, \$1; first, J. Bordeon;

second, H. Cunningham.

Boys over fourteen, \$3, \$2, \$1; first, Miss Allen; second, Miss Symington; third, Miss McEwan.

Putting the 16-pound shot, \$2, \$1; first, J. D. Mavety; 34 feet, 7 1/2 in.; second, A. Turner, 32 feet.

Bicycle race, one mile, \$6, \$4; first, C. Corberand; second, F. Turner.

Hop step and jump, \$3, \$2; first, A. Turner, 37 feet; second, J. D. Mavety, 35 feet; 9 inches.

High jump, \$3, \$2; first, M. Dixon; second, G. Cranston.

220 yard foot race, \$5, \$3, \$1; first, R. Fortune; second, G. Cranston; third, C. Flintoff.

A couple of races were also pulled off, which added much to the interest of the crowd. This closed an altogether very agreeable day's celebration.

Winnipeg Markets

Commercial, July 11th.

Oats—There is an abundance of feed grades offering but milling oats are scarce. Local buyers pay 32c per bushel for carlots of No. 1 white on track here and 31c for 2 white. Feed grade 29 to 30c. At Fort William No. 1 white oats are worth 32 1/2c per bushel; No. 2 white, 31 1/2c.

Barley—Shippers are quoting 39c for No. 3, and 38c for feed in store, Fort William. Local merchants would pay 32 to 34c for feed barley on the street here and about 1c more on the track.

Wheat—Manitoba wheat has been dull all the week. The price has to fair extent followed the advance in American markets and is 3c higher than a week ago, but exporters cannot work at the advance, and very little business is doing. At the close of business yesterday prices are: 1 hard, 33 1/2c; 1 northern, 32 1/4c; 2 northern, 39 1/2c; 3 northern, 75 1/2c; and No. 4 wheat, 67c, spot, or July delivery in store, Fort William and Port Arthur. On Thursday the first sale of the new season's delivery was made, when a round lot of 1 hard was sold for September delivery at 71c in store, Fort William.
